It is my pleasure to inform you that the Closson Crusaders have selected a member of your House as the Woman of the Week for the period beginning September Twenty-Fourth, Nineteen Hundred and Ninety-One. This honor was not bestowed lightly, but deliberately and with great care.

We feel that Erica Lambert exhibits qualities that distinguish her among women. Her unfailing cheerfulness, her humility, and her positive personality are all noteworthy, as is her physical attractiveness. In honoring her, we honor Solah House for the part you have played in fostering these qualities we admire.

We of Closson would be grateful if you would share this letter with Solah at your next house meeting, providing Erica with the recognition she so richly deserves.

It is my pleasure to inform you that the Closson Crusaders have selected a member of your House as the Woman of the Week for the period beginning October First, Nineteen Hundred and Ninety-One. This honor was not bestowed lightly, but deliberately and with great care.

We feel that Angela Case exhibits qualities that distinguish her among women. Her good humor, her willingness to tolerate good-natured teasing, and her bubbly personality are all noteworthy, as is her physical attractiveness. In honoring her, we honor Solah House for the part you have played in fostering these qualities we admire.

We of Closson would be grateful if you would share this letter with Solah at your next house meeting, providing Angie with the recognition she so richly deserves.
